

## CHILDREN IN UGANDA

DID YOU KNOW CHILDREN IN UGANDA ARE SO POOR THEY CAN'T AFFORD CLOTHING, FOOD AND MANY DON'T EVEN HAVE HOMES? WELL, THAT IS HAPPENING IN UGANDA RIGHT NOW. WE NEED TO STOP THIS AND THINK ABOUT HOW POOR THESE KIDS AND THEIR FAMILIES ARE.

DID YOU KNOW CHILDREN IN UGANDA HAVE TO WEAR THE SAME CLOTHING EVERY DAY, MONTH AFTER MONTH, YEAR AFTER YEAR? CHILDREN ONLY OWN ONE PAIR OF PANTS AND ONE SHIRT. SINCE THE CHILDREN ARE WEARING THE SAME CLOTHING, THE CLOTHING GETS HOLES AND WORN OUT. THE CHILDREN'S PARENTS CAN'T AFFORD TO GET THEM NEW CLOTHING.

THE CHILDREN IN UGANDA ARE GETTING VERY SICK AND CAN GET MALARIA AND COULD DIE. THE MOSQUITOES CAN BITE PEOPLE AND CAUSE A VIRUS. THIS CAUSES PEOPLE TO DIE. MANY PEOPLE GET MALARIA BECAUSE THEY CAN'T AFFORD 60 CENT MEDICINE KITS. MANY KIDS FAMILIES CAN'T AFFORD MOSQUITOES NETS TO PUT OVER THEIR BEDS WHEN THEY SLEEP AT NIGHT. I THINK WE SHOULD SEND THEM MOSQUITO KITS AND MEDICAL KITS!

MANY CHILDREN IN UGANDA HAVE NO HOMES AND ARE LIVING IN CHILDREN'S HOMES BECAUSE THEIR PARENTS MIGHT HAVE DIED OR ARE TOO SICK TO TAKE CARE OF THEM. THE PARENTS MIGHT HAVE DIED BECAUSE THEY COULD HAVE GOTTEN MALARIA BY THE BUGS THAT CAN CAUSE IT WHEN THEY BITE PEOPLE. LIVING IN THE HOME IS BETTER THAN LIVING ON THE STREETS, BUT HAVING A FAMILY IS BETTER THAN HAVING TO LIVE IN A CHILDREN'S HOME. I THINK WE SHOULD TRY TO FIND THE KIDS FOSTER PARENTS.

IF YOU LIKED THIS, I KNOW YOU CARE ABOUT THESE CHILDREN. PLEASE HELP THEM BY SENDING CLOTHING OR BY SENDING 60 CENT MEDICINE KITS AND MOSQUITOES NETS. I THINK THAT WE NEED TO HELP BECAUSE THESE CHILDREN BARELY HAVE ANYTHING.
